

Makita®

1-9/16" ROTARY HAMMER

BUILT-IN TORQUE LIMITING CLUTCH DISENGAGES IF BIT JAMS

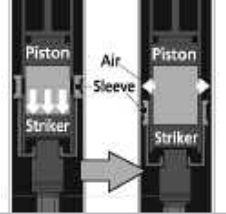

Powerful 10 AMP Motor Delivers for the Most Demanding Applications

One-Touch Sliding Chuck for Quick and Easy Bit Changes

Dual Mode Operation; "Rotation with Hammering" and "Hammering Only"

Soft Grip Helps reduce Vibration Felt by the End-User

PERFORMANCE

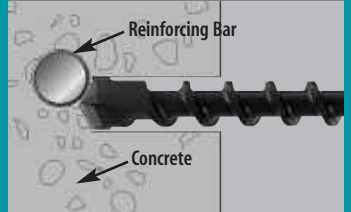

No hammering when idling increases the tool life and performance

CONVENIENCE

Chisel lock allows the end-user to set their chisel in one of 12 positions

RELIABILITY

Built-in torque limiter ensures stable torque control

COMFORT

Soft grip helps reduce vibration felt by the end-user

**Model
HR4002**

JUST ADD CONCRETE

1-9/16" ROTARY HAMMER

Model HR4002

FEATURES & BENEFITS

- Powerful 10 AMP motor; 1,075 - 2,150 BPM
- No hammering while idling ensures longer life and greater performance of the tool
- One touch sliding chuck allows for quick bit changes increasing productivity
- Soft grip provides more comfort and greater control when operating the tool
- Recessed operation mode switch helps prevent it from being damaged
- Built-in torque limiter ensures stable torque control

STANDARD EQUIPMENT

- Side handle (158131-0)
- Depth gauge (321248-4)
- Plastic tool case (158275-6)
- Bit grease (181573-3)

SPECIFICATIONS

Capacities: Concrete	1-9/16"
Core bit	4-1/8"
No load speed (RPM)	0 - 680
Blows per minute (BPM)	0 - 2,500
AMPS (110V)	10.0
Overall length	18"
Weight	13.7 lbs.
UPC	088381-081566

OPTIONAL ACCESSORIES

SDS-Max Bits - 4 Cutter

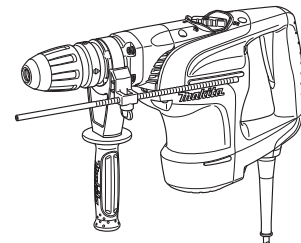

- 4-Cutter technology for reduced friction and rapid dust removal
- Central guiding action for accurate holes
- Constructed to reduce vibration and noise emissions
- Made of the highest quality chrome-nickel-molybdenum steel
- Special impact-grade carbide

Modular Heavy-Duty Core Bit System

- For use in reinforced and non-reinforced concrete, block, brick, etc.
- Specially designed carbide tip geometry for increased penetration
- Core body length: 6"
- Usable drilling depth: 4-3/8"
- From 1" to 5" diameter

Model HR4002

Makita offers a wide variety of accessories for Rotary Hammers. For a complete listing, please refer to the Makita General Catalog, or visit our website at makitatools.com, or call 1-800-4MAKITA.

All specifications subject to change without prior notice. All models and accessories subject to stock on hand.
